FINANCIAL OPTIONS

All financial obligations are the responsibility of the patient, not an insurance company. Good oral health is integral to your overall health. We are pleased to offer you some options to meet this need.

Payment in full

This is our standard payment policy for services provided as you go. We accept checks, Visa, MasterCard and American Express. No cash please.

Partial or Total Treatment Payment Plan – interest free

(SAME DAY AS TREATMENT ARRANGEMENT)

For that situation where all or part of a treatment plan is being paid for the same day as the treatment is provided, we will finance a balance over 3 months after ½ is paid down with either a check or credit card. Monthly payments are via credit card or written guarantee agreement.

Total Treatment Payment Plans - interest free

(IN ADVANCE OF TREATMENT ARRANGEMENT)

For treatment plans from \$500.00-2499.00 we will finance, at no charge to you, your treatment over 3 months using either a credit card or written guarantee agreement. A down payment of 1/3 of the total treatment plan is required, the balance due in equal amounts over the 3 month period.

For treatment plans from \$2500.00 and above, we will finance, at no charge to you, your treatment over 3-6 months using either a credit card or written guarantee agreement. A down payment of 1/3 of the total treatment plan is required, the balance due in equal amounts over the 3-6 month period.

Extended Financing Plans – over 6 months

We can help arrange third party financing for those that qualify. These plans can offer attractive rates, additional months in which to pay, a prepayment without penalty option and fast service.
